MAHORABA

小島あきら

I really want a mechanical  
lady, even if my brain is all  
that's left.

Not being able to eat might  
suck; I do like chocolate.

But, I guess I still want one  
either all.

Where did this come from?  
I'm just thinking randomly  
today - how does everyone  
kill time?

31. 大事 (中編)  
Precious (Middle)

I tried to walk to school, but I felt like someone was  
going to steal my backpack, so I stayed home.

For the first time, I was late to school. I was so sleepyhead!

in this  
neighborhood  
I know of a  
married  
couple...

Unfortunately  
they were never  
blessed with  
children

they're very  
gentle  
I not want the  
negative and  
people

Sayoko

Unfortunately  
now just  
what are  
you ?

If they got  
it, I'm sure  
they'd be  
very happy

...and as I was  
talking to them  
last night, they  
seemed pretty  
pleased

Sayoko

This is for  
the sake of  
everybody's  
happiness

...give up  
that girl

Fuefue~  
I'm so  
sorry~

Tachibane,  
where is  
non-sense?

There.

Let  
Aqua  
see her.

She is  
inside  
here.

even if  
it's my  
command?

The lady and the  
nathan are  
having a very  
important  
conversations.

I  
cannot  
allow  
that.

That much  
is fine,  
right?

she will  
listen in.

That is the  
master's  
command.

Ah.

My  
apologies.

Neo-

Wow

There  
will only  
be...

...even  
now

...one  
person I  
love my  
whole  
life.

...and it  
is him...

...hasn't  
changed  
from  
before...

Everyone  
may tell  
me I'm  
wrong

Love,  
to me

is that  
strong

...but I  
cannot  
see it any  
other  
way...

I cannot  
consider  
it.

I know  
that you  
begin to  
come about  
them.

if you  
live with  
someone  
for a  
while.

but  
that's not  
all.

So

That's  
why you  
won't  
marry.

...feel,  
and  
will  
not  
change

for  
the  
rest  
of  
my  
life.

...back to  
our home...

...I am  
happy...

...though a  
lot has  
happened  
here...

two of us  
are  
together,  
we can...
